SURVEYOR'S REPORT

Survey report to establish property line between lots 2 and 3. Commencing at a point of the railroad right-of-way and running along State Road 59 in a southerly direction 126.3 feet I placed a steel arrow. I noticed then that there was more than 50 feet to L Street. So I ran my line on out and checked out another lot measuring 50x120 feet. I replaced 6 arrows with wooden stakes as shown on my plat.

Completed this report November 1, 1961.
